Brenda Lynn Morgan
RN BScN MSc CNCC(C)

ABOUT THE COURSE

This course will provide an overview of key critical care competencies that make up the national certification examination in critical care nursing (CNCC-C). This course is of benefit to nurses or paramedics working in critical care who are seeking a review of core competencies, or who are preparing to become certified (or recertified) in critical care nursing. This course is a review; content is geared to individuals with some critical care experience.

CONTINUOUS LEARNING HOURS

Participants will receive 36 hours of Continuous Learning Hours that can be used by certified nurses toward recertification of CNCC(C).

HANDOUTS

A link to the course handouts will be provided by email within two weeks of the start of the course.

PROGRAM INSTRUCTOR

Brenda Morgan has been a critical care nurse for 40 years, with > 36 years of teaching experience. She currently works as a Clinical Nurse Specialist in Critical Care at Victoria Hospital in London. Brenda has spoken on a variety of critical care topics: locally, nationally and internationally.

Brenda is a former President of the Canadian Association of Critical Care Nurses (1992 – 1994) and member of the national Board of Directors (1990-1995; 1998-2002). She has chaired or been a planning committee member for 5 of CACCN's national conventions (Dynamics: 1991, 1994, 1999, 2002 and 2011), was a member of the Canadian Nurses Association Certification committee for Critical Care Nursing between 1993 – 2009 and is the author of the certification study guide that is available to CACCN members.
