Brenda Lynn Morgan
RN BScN MSc CNCC(C)

About the Workshop:

This course will provide an overview of key critical care competencies that make up the national certification examination in critical care nursing (CNCC-C). This course is of benefit to nurses or paramedics working in critical care who are seeking a review of core competencies, or who are preparing to become certified (or recertified) in critical care nursing.

This course is a review; participants should have some previous critical care experience (with mechanical ventilation, hemodynamic monitoring and ECG interpretation).

Continuous Learning Hours:

Participants will receive 36 hours of Continuous Learning Hours that can be used by certified nurses toward recertification of CNCC(C).

Handouts:

A link to the course handouts will be provided by email within two weeks of the start of the course.

Registration:

Emailed confirmation will be sent that includes the link to course handout material.

A \$30.00 charge will be applied to all NSF cheques. Refunds: 80% of registration fee is refundable if written cancellation is received at least 14 days prior to the workshop. No refund after this deadline.
